## Senior Class Will

On this fifteenth day of May in the year Nineteen hundred and Fifty-Five, we, the Senior Class of Everman High School, being of "unsound mind," due to many hard years of school life, do hereby will and bequeath the following to members of the graduating classes of future years.

James Taylor bequeaths his pleasing personality to Donald Arnold and his presidency to Charlie Miller.

Jack Miller wills his broom handle to Virgil Steinberger and his Senior keys and business ability to Tom Wagner.

Earl Dunagan wills his position on the top of the truant list to Bill McFadden.

Ruddy Bryant wills his good looks to any ugly boy that needs them and also his ability to make mistakes on the typewriter to Kent Watts.

Reta Toomer wills her Monday absence to Shirley Armstrong and her ability to play basketball to Marilyn Dunlap.

LeeRoy Gann wills his chewing gum on the bottom of his chair in study hall to Butch Malone.

Elon Owen wills his battle-scarred seat in fourth period study hall and his job as editor of "The Beacon" to Kent Watts. He also passes on the ability to win recognition as the most changed boy in high school to Pat Arnold.

Vergilene Vaden wills her citizenship to Nancy Flories and her perfect attendance record to Sue Glenn.

Melba Archer wills her "gift for gab", ability to play hooky, and the honor of Basketball Queen to Janice Maxwell.

Martha Floyd wills her ability to get to school on time and her ability to play hooky to Sanjo Brown.

Pete Toomer wills his love for cheer-leading to Vicki Cole and to Burl Butler, his love for basketball.

Nancy Malone leaves her quiet and shy personality to Janice Maxwell.

Wilna Bean wills her Senior married life to Joyce Roberts and the job of secretary to Norma Wilson.

Janie Hubbard wills her ability to stay out on Mondays and flirt with the boys to Shirley Armstrong.

Shirley Browning wills her letter writing in the study hall to Sonja Leeper and her back seat in English to Norma Wilson.

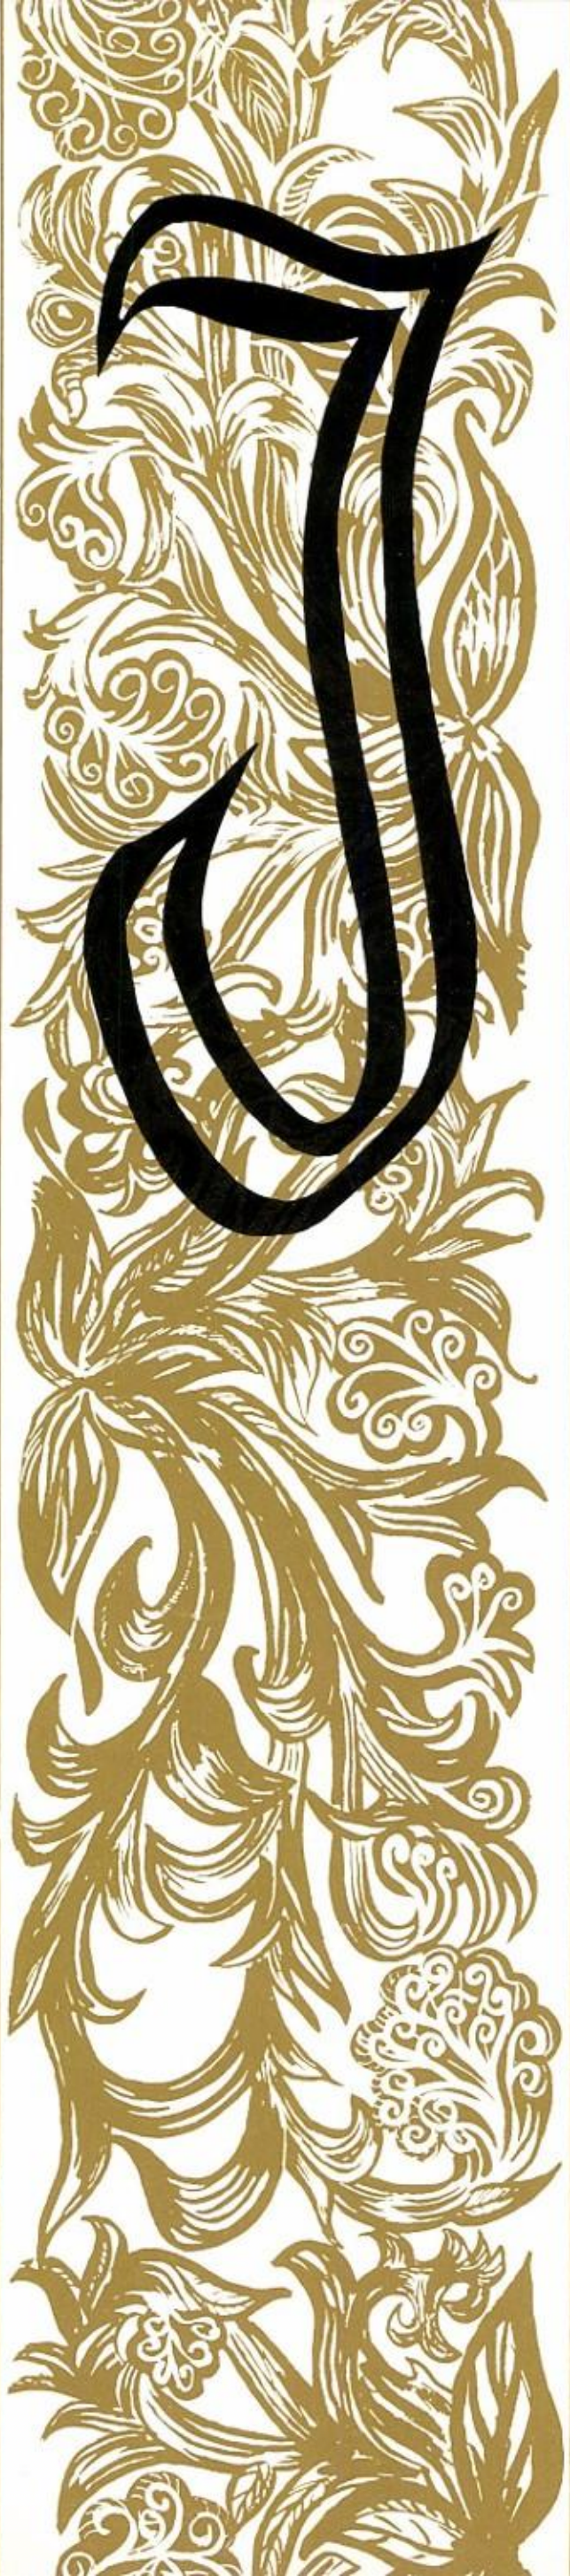

Martha Bean solemnly pledges to Wilma Cribbs and Vergean Hitt, two old love letters for models.

Claudia Sullivan wills her four years experience of acting to Janice Maxwell and her typing eraser to the next typing class.

The 1954-55 Everman cage season was considered opened October 20. For three weeks the squad concerned themselves with conditioning and fundamentals.

The squad started slowly due to inexperienced personnel. The squad had only one senior. As the season went on the squad rounded into better form. Close co-operation was produced and the team began to attain the heights of which they are capable.

When conference play was opened the squad had racked up a 16-5 record in non-conference play. In conference play they finished in 2nd place with a 7-3 record. With the tournament games added to these records the bull-dogs finished the season with the best record a bull-dog team had had in several years.

The future looks promising with only one graduating senior, 2 juniors and 10 sophs. With these prospects it is hoped that next years squad will better the 27 won and 9 loss record of this years young, inexperienced, but never say die, ball club.

Jim Malone the only graduating senior leaves his last wish, to win District and beat Burleson.

FOR YOUR THOUGHTS!

There's one  that buys more than most   --and that's the penny you spend for electric service! For instance, you can  six large rugs for one cent's worth of electricity. And just one penny buys the power to wash three  of laundry! Like to sew? You can  for five hours on one  worth of electric power. In fact, every time you pay your electric bill  you're paying for a  of comfort, work-and-time-saving help, and pleasure. Yes, electric service is a real friend . . . always ready at the flick of a  and so low in cost that you must agree: It's the Biggest Bargain in the family budget! 

ELECTRICITY DOES SO MUCH  
— COSTS SO LITTLE

# Reflections

● Almost a quarter of a century has passed since USECO published its first school annual. As we review those pages of yesteryear, a pleasant thought comes to mind—on some tomorrow this, the nineteen hundred and fifty-five edition, will take its place in your heart as a pictorial history of the "good ole' days."

We know this book will increase in value with the passing of each year, and are honored to have played a part in recording it.
